Participate with your fellow Trojans in hundreds of alumni events and organizations around the world.

EVENTS The USC Alumni Association sponsors events throughout California, across the nation and around the world. Our signature celebrations include Weekenders, Homecoming, Reunion Weekend, the Women's Conference and Alumni Awards.

ALUMNI ORGANIZATIONS Wherever you live, the Trojan network is there. More than 100 USC alumni clubs and organizations offer such great activities as football game-watch parties, career networking forums, cultural outings and academic presentations.

The USC Alumni Association partners with other alumni associations representing African American, Asian Pacific, Latino and LGBT alumni. We also work closely with many alumnae support groups and USC school alumni associations to present dynamic and engaging programs.

LIFELONG ENGAGEMENT The USC Alumni Association engages Trojans at every stage of life through our Reunion program and generational groups. Current students begin building their lifelong alumni network through SCend Offs, Society 53 (our student outreach program), scholarships and more.

After graduation, our newest members can enjoy Young Alumni events and programs. From there, we engage alumni via the Second Decade Society all the way to the Half Century Trojans.

GIVING BACK The USC Alumni Association and its affiliated alumni groups offer many programs that provide Trojans with opportunities to give back, volunteer and support USC.

Benefit.

As a USC Alumni Association member, you enjoy many great benefits that can help you in all aspects of your life.

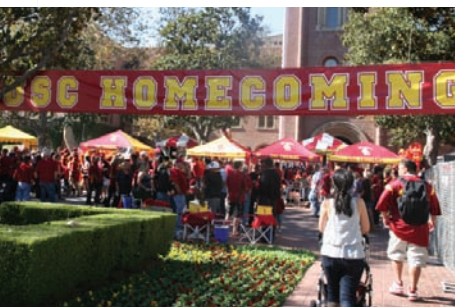

SPECIAL OFFERS Our partners offer unique services and discounts on credit cards, insurance, education and more. These offers not only save you money, but a portion of the proceeds helps support USC Alumni Association programs.

CAREER SERVICES The USC Alumni Association partners with the USC Career Planning & Placement Center to provide a complete range of career services. These include *connectSC*, an online alumni portal to jobs and internships, and the *Trojans Hiring Trojans* initiative to encourage members of the Trojan Family to look to one another in fulfilling their human resource needs. We also sponsor vocational seminars on campus and around the country to help alumni advance their careers.

ON-CAMPUS BENEFITS Get 10% off at most campus eateries, free access to University Park campus research libraries (including online access to the research database ProQuest) and more.

TROJAN TRAVEL Going strong since 1978, our travel program features exciting itineraries, top-notch service and accommodations, Trojan Family camaraderie and, on many trips, expert faculty hosts. Trojan Travel's *eScapes: Specialty Travel for Trojans* program helps fulfill the travel needs of younger alumni, those with a thirst for adventure, and other special interest travelers.
