**Mission**

The USC Alumni Association is dedicated to building and enriching the Trojan Family through the intellectual, cultural and economic contributions of its large and diverse membership. Throughout all our many activities and relationships, we will continually embrace five major goals that vitally affect all alumni:

- Reach out to serve and engage all alumni, lifelong and worldwide
- Connect alumni to each other and the University through effective communication, programs and events
- Facilitate a high level of volunteerism so that the Alumni Association and the University benefit from members' diverse interests, talents and backgrounds
- Encourage investment and support for the University in its successful pursuit of international excellence in teaching, research and service
- Celebrate the rich history of USC through building upon the best of our traditions and accomplishments
