Hello Half Century Trojans! Welcome to the spring edition of our semi-annual Still Fighting On! e-newsletter. Spring is the perfect time to return to our beautiful campus and see the dramatic changes that have taken place over the last 50+ years!

Who are the Half Century Trojans? Half Century Trojans are a vibrant community that includes all USC alumni (including bachelor’s, master’s, doctoral and professional degreed alumni) who earned a bachelor’s degree from any college or university at least 50 years ago. As caretakers of USC history and tradition, HCTs are uniquely positioned to promote the Trojan Spirit and to strengthen the bonds that connect USC alumni across generations. Be sure to continue checking your email periodically for exciting HCT news, as we celebrate our Half Century Trojan pride with even more dynamic programming this year!

In fact, our first event of 2020 is just over a week away. Don’t miss our 12th annual Going Back to College Day on Thursday, February 6. At this annual
event, Half Century Trojans return to campus, reconnect with former classmates and experience the exciting USC of today. You will hear from transformative faculty and administrators, all while reminiscing with old friends. We will also celebrate the 55th anniversary of the Class of 1965 and the 60th anniversary of the Class of 1960—a commemoration not to be missed! Then, on Sunday, April 5, join fellow Half Century Trojans for the USC School of Dramatic Arts spring musical, The Secret Garden, and attend an exclusive post-show reception with the student cast and crew in Associates Park. Also, please mark your calendars for the 137th USC Commencement on Friday, May 15, and join us by participating in the treasured tradition of Half Century Trojans leading the Commencement processional.

These events are wonderful opportunities to reunite with former classmates and reconnect with our alma mater. We hope you'll feel renewed pride in being a member of our great Trojan Family.

Read on for more news, and I hope to see you on February 6th at Going Back to College Day!

HCT SCHOLARSHIPS - A TROJAN FAMILY LEGACY
HCTs strengthen USC's legacy by sponsoring the Half Century Trojans Scholarship Program, which annually confers scholarships of $10,000 to descendants of HCTs. The scholarships are awarded to continuing USC students based on academic achievement, leadership potential and community service. This year we will award 22 scholarships of $10,000 each to 22 exceptional students representing a broad spectrum of disciplines.

Here are some words of appreciation from our 2019-20 HCT Scholarship recipients:

"I am a junior majoring in health promotion and disease prevention and also currently working towards a master's degree in global medicine. I come from a long line of Trojans—my great-grandfather graduated from USC in 1923; both of my grandparents met at USC and graduated in 1951; and I have two uncles who graduated from USC in the '70s. As a transfer student, I am incredibly
humbled and grateful to have been chosen for the HCT scholarship, and I feel so lucky to be at such an amazing institution which has quickly grown to be my home."

—Elizabeth Moeser, Class of 2020 (Keck)

"I am a junior studying business administration and economics. Becoming a Half Century Trojan scholarship recipient has allowed me to further develop a special Trojan connection to my grandfather, Edward "Ted" May (class of 1955). Your generosity has helped my family significantly in meeting the financial obligations of the university, and has even allowed my younger sister, Samantha, to attend USC as well. I look forward to giving back in the future, to benefit students just like myself. I am deeply thankful for your generosity. Thank you for all you do!"

—Nick Basch, Class of 2021 (Marshall)

“Because of the generous support of the Half Century Trojans at USC, I have the opportunity to pursue my dream of becoming a marriage and family therapist without fear of student debt after graduation. As a senior studying psychology with a double minor in forensics & criminality and individuals, societies, & aging, I feel incredibly grateful to study such fascinating subjects as a 4th generation Trojan. Whether leading tours with the USC Admission Center or conducting research on campus in the Gould School of Law, I have loved every moment of this USC experience, made possible by your gift. Truly, I cannot express how thankful I am to the HCT scholarship committee and the organization as a whole. Thank You, and Fight On Forever!"

—Samantha Hardy, Class of 2020 (Dornsife)

"Before coming to USC, I had no idea what I wanted out of a career. Through the help of the Half Century Trojans scholarship, I have been able to pursue business, accounting, and even web technologies. This last year, I committed to a full-time job at Deloitte, which wouldn’t have been possible without the generous support from this organization. I am constantly reminded of how amazing and giving the alumni of USC are."
Visit our website for more words of appreciation from our scholarship students. Consider making a fully tax-deductible gift to grow our endowment so we can continue providing scholarships to deserving USC students for years to come. You can make a gift (online or by mail) here. For more information about the HCT Scholarship program, please email Tanya Moran-Adolph or call her at (213) 740-9206.

A NEW CHAPTER: USC INSTALLS CAROL L. FOLT AS THE 12TH PRESIDENT OF USC

Thousands of faculty, students, staff and alumni crowded Alumni Park on Friday, September 20, to watch Carol Folt be sworn in as the 12th president—and the first female president—to lead the university. To the strains of the USC “Fight Song,” Folt, sporting a cardinal robe, made her way from the Bovard Administration Building to the steps of Doheny Memorial Library, all the while high-fiving students.
