HALF CENTURY TROJANS INDUCTION BREAKFAST
Tutor Campus Center Ballroom B
Calling all graduates from the class of 1972 and before! Help us welcome the newest group of Half Century Trojans (HCT), all those in the undergraduate Class of 1973. You’ll have the opportunity to hear
more about the mission of the HCT Board, how you can stay involved with the events they plan throughout the year and congratulate the newest group of honorees into the Half Century Trojans Hall of Fame.

10:00 a.m. – 11:00 a.m.
ALUMNI & REUNION WEEKEND CHECK IN
Alumni Park
Start your day at the historic Alumni Park in the center of campus to check in before beginning your Alumni & Reunion Weekend adventure. Grab a coffee and snack before you head off to class for the morning!

*Half Century Trojans Induction Breakfast attendees will pick their check in credentials at breakfast.

11:15 a.m. – 12:00 p.m.
CLASS SESSIONS & TOURS
Various Buildings Across Campus
USC is one of the world’s top research universities. Join breakout sessions and tours from our top-notch schools and units as they share their knowledge on a variety of topics described below. All the benefits without the exams!

What is the Future of Work in America?
USC Annenberg School for Communication and Journalism
USC Dornsife College of Letters, Arts, and Sciences
Location: USC Annenberg Building

There’s lots of buzz about how A.I. could reshape the workforce, but several other factors are poised to change the nature of work in America, including a workforce dominated by millennials, globalization, worker mobility, and numerous technologies other than A.I. Which industries are likely to experience the biggest changes? What types of jobs will be in greatest demand? Will these changes have a disproportionate impact on diverse communities? How will the combination of these forces impact society in general? These questions and more will be discussed!

Experiential Learning Workshop
USC Marshall School of Business
Location: Fertitta Hall Experiential Learning Center (IFF-ELC Basement)

Participate in an experiential learning workshop with USC Marshall Executive Education. Learn about our commitment to your lifelong learning and career journey and develop leadership skills necessary to thrive in today’s work environment.

The Future of Work
USC Career Center
Location: Student Union (STU), B3

Are you ready for the fourth industrial revolution? The future of work is rapidly innovating and changing with new and exciting jobs. Join us for a panel discussion addressing emerging industries, changes in the workplace, and how to position your career for success. Hear from
economists, entrepreneurs, and alumni about navigating your career in the age of a new division of labor with humans, robots, AI, machines, and algorithms working together.

**A Fireside Chat with Steve Bucher: Ethics in Engineering**  
**USC Viterbi School of Engineering**  
**Location:** USC Viterbi, Ronald Tutor Hall

Join Professor and Director of the Engineering in Society Program, Steve Bucher, for a fireside chat focusing on the ethical and civic responsibilities of engineering, particularly in the context of rapid and powerful changes in technology.

**Evolving with Architecture**  
**USC School of Architecture**  
**Location:** School of Architecture, Watt Hall 204

Learn how the industry of Architecture is evolving and becoming more multidisciplinary, including the role of AI and other overarching disciplines featured. Learn from alumni and faculty as they share how they are re-defining the field in non-conventional ways.

**Healthy Aging Brain**  
**Keck School of Medicine of USC**  
**Location:** Tutor Campus Center

Join us for a presentation from Keck Medicine of USC specialist Kirsten Lynch in healthy brain aging. We will explore how spaces in our brain structure changes as we age and their potential connection to memory and cognitive skills. This presentation will unveil the groundbreaking insights from our latest study, shedding light on the natural aging process of these spaces within the brain. Moreover, we will showcase how our findings establish a benchmark for identifying possible future issues. Don't miss this opportunity to gain valuable knowledge best lifestyle choices for healthy aging.

**How Robotics is Shaping the Future of Surgery**  
**Keck School of Medicine of USC**  
**Location:** TBA

Keck of USC has a robust multidisciplinary robotic surgery program that is revolutionizing how we deliver state of the art care to our community and train surgeons of the future. Come see the Da Vinci Robot in action and learn more about these amazing programs.

**12:15 p.m. – 1:30 p.m.**  
**PICNIC LUNCH**  
**Alumni Park**  
Enjoy lunch outside with fellow Trojans, take a picture with a surprise visitor, and get refueled for the second half of the day!

*Reunion Alumni look out for special areas of seating for you to reconnect with your classmates!*
1:45 p.m. – 2:00 p.m.
