USC Price Alumni Association is hosting a card-making initiative for hospitalized children. Simply join us at Children's Hospital to make cards for hospitalized kids. This is a great opportunity to use your creativity to bring some joy and comfort to children who are going through a difficult time.

Whether you are an experienced artist or simply enjoy coloring and crafting, your cards will be greatly appreciated by the young patients who receive them. It's a small gesture that can make a big difference in the lives of children and their families.
