Conquest

by artist Fred Stone

To celebrate Traveler's 50th Anniversary, the USC Alumni Association presents this giclee painting by renowned painter of horses, Fred Stone. Stone's association with Traveler® began in 1983 when he painted an Andalusian stallion, Tuno II, from which he created two successful limited-edition prints. Years later, Stone was struck by the beauty and charisma of the recent half-century Trojan, Traveler®, and although primarily a painter of thoroughbreds, he felt compelled to paint the steed. As fate would have it, Tuno II turned out to be the sire of the current Traveler®. Your generous purchase helps support the programs and services of the USC Alumni Association.
Dimensions: 27" w x 31" h.
