

Congratulations December 2017 Graduates...

your benefits are on their way!

As a degree-holder, you are granted automatic membership in the USC Alumni Association.

As such, expect to receive a welcome email later this winter. This email will contain your alumni record number along with instructions on how to register for the alumni portal, @alumni.usc.edu Gmail account, mobile app and much more.

In addition, we will mail you your official membership card which will allow you access to a number of on-campus benefits. To ensure that we are able to reach you, before saying goodbye to campus life, make sure your **preferred** mailing address is up to date in [Oasis](#).

In the meantime, please browse our Benefits page on the alumni.usc.edu website and follow us on
