"Still Fighting On!"

Winter 2021

President's Message: Thank You, Trojan Family!

Happy New Year and welcome to the winter edition of *Half Century Trojans News*, featuring updates and information for our vibrant Half Century Trojans community of more than 18,000 USC alumni.*

As we approach the one-year mark of digital-only engagement, we are reminded that, as caretakers of USC history and tradition, Half Century

Trojans are uniquely positioned to promote the Trojan Spirit and strengthen the bonds that connect USC alumni across generations.

Truer words were never spoken. During these challenging times, we thank the many Trojans serving as essential frontline workers around the world. We salute our distinguished faculty, who deftly pivoted from teaching in campus lecture halls to virtual classrooms, and our students, who await the day when they can once again step foot on our beautiful campus (some for

the first time). The resilience and strength of our Trojan Family continue to inspire and raise hope for better days ahead.

In the meantime, we remain committed to creating virtual engagement opportunities to help you stay connected with your alma mater; please read on for news about those opportunities. And remember to take care and take heart—the Trojan Spirit remains stronger than ever!

Still Fighting On!

Zoom On! ... Virtual Discussions with USC Guest Speakers

Our "Zoom On!" program regularly features special guests for informal online discussions of all things Trojan. Next up, on **Monday, March 15**, we'll hear from **Kim Thomas-Barrios**, associate senior vice president

of USC Educational Partnerships. She'll share the great work taking place at the **USC McMorrow Neighborhood Academic Initiative**, an academically rigorous and comprehensive, 7-year pre-college program designed to prepare students from South and East L.A. for admission to a university.

Half Century Trojans Scholarships: A Trojan Family Legacy

Half Century Trojans strengthen USC's legacy by sponsoring the Half Century Trojans Scholarship Program, which annually confers scholarships

of \$10,000 to descendants of Half Century Trojans. The scholarships are awarded to continuing USC students, based on academic achievement, leadership potential and community service. This school year, we presented \$10,000 scholarships to each of 22 exceptional students, representing a broad spectrum of disciplines. Here are some words of appreciation:

“I am entering my sophomore year as a USC Dornsife student. I am extremely proud to follow in the footsteps of my grandfather (USC Class of 1949), and I am so humbled by the support of the Half Century Trojans, who not only celebrate my family’s Trojan past, but are also actively nurturing my future.”

— **Jordan Evans, Class of 2022**

Read more words of appreciation from our scholarship students [here](#). Please consider making a fully tax-deductible gift to grow our endowment, so we can continue providing scholarships to deserving USC students for years to come. For more information, email [Tanya Moran-Adolph](#).
